Acquisition of land for providing conveyance facilities in Chicknayakanahalli Town

145. Sri C. K. RAJIAH SHETTY (Chicknaikanahalli).—

Will the Minister for Revenue be pleased to state :—

(a) whether it is a fact that the busy ore carrying road passes in the middle of Shandy Maidan of Chicknayakanahalli Town ;

(b) whether the previous council in view of the inadequate conveyance facilities for carrying ore had proposed to acquire land and deposited the value of the land ;

(c) if so, the amount deposited in this behalf ;

(d) The reasons why the present council has proposed for cancellation of acquisition when the acquisition is almost in final stage ;

(e) whether Government would examine the feasibility of acquisition and set aside proposal of cancellation ?

Sri H. V. KOUJALGI (Minister for Revenue).—

(a) The Banasandra Huliur road passes through the western side of the existing Shandy maidan which is in the middle of the town.

(b) Yes.

(c) Rs. 27,890.97 p.

(d) the Town Municipal Council resolved on 19th December 1968 that the existing Shandy Maidan is a fit place for the purpose and to withdraw the acquisition charges deposited for being utilised for water supply scheme.

(e) After examining the request of the Municipal Council to withdraw the L. A. proceedings, Government have already taken a decision and issued cancellation Notification.

Sri C. K. RAJIAH SHETTY.—In answer to (e) you have stated that after examining the request of the Municipal Council to withdraw the land acquisition proceedings, Government have already taken a decision and issued cancellation notification. Is it not a fact that the Local Self-Government Minister himself said that he would re-examine on requisition and now you say that it is not feasible ? What exactly is the reason to change the opinion of the Government in the matter ?

Sri H. V. KOUJALGI.—It is not for the Minister to say whether a particular portion is to be acquired or not. It is for the person who wants this particular piece of land to say that. Here it is the Municipality who is to say that. But they themselves say it is not required and since the Municipality is a statutory body, I think, its wishes have to be respected.

Sri C. K. RAJAI AH SHETTY.—Will the Hon. Minister kindly direct the Municipality to re-examine the matter and find out the feasibility?

Sri H. V. KOUJALGI.—I have already stated that the Municipality is a responsible statutory body. I do not think there is any provision for the Government to direct the Municipality.

ಶ್ರೀ ಎನ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ಅದಿರು ಸಾಗಾಣಿಕೆ ರಸ್ತೆ ಊರಿನ ಮಧ್ಯೆ ಹೋಗುವುದರಿಂದ ಅಲ್ಲಿನ ಜನಗಳಿಗೆ ಬಹಳ ತೊಂದರೆಯಾಗುತ್ತದೆ, ಅದನ್ನು ತಪ್ಪಿಸಬೇಕು ಎನ್ನುವ ಉದ್ದೇಶದಿಂದ ಅಕ್ಟಿಜಿಷನ್ ಪ್ರಾರಂಭ ಮಾಡರಾಯಿತು. ಈ ಹೊತ್ತು ಮುನಿಸಿಪಾಲಿಟಿಯವರ ಅಭಿಪ್ರಾಯ ಬದಲಾವಣೆಯಾಗಬಹುದು. ಆದರೆ ಆ ರೀತಿ ರಸ್ತೆಯನ್ನು ಊರಿನ ಹೊರಗಡೆ ತೆಗೆದುಕೊಂಡು ಹೋಗುವುದು ಅವಶ್ಯಕವೋ ಇಲ್ಲವೋ ಎನ್ನುವ ವಿಷಯ ಸರ್ಕಾರದ ಮನಸ್ಸಿಗೆ ಬಂದಿದೆಯೇ ಎನ್ನುವ ವಿಷಯವನ್ನು ತಿಳಿಸಲಾಗುತ್ತದೆಯೇ?

Sri H. V. KOUJALGI.—I have already stated that it is for the Municipality to look to the interest of that town and when they themselves say that the land is not required, I do not think that Government could interfere in the matter.

Sri C. K. RAJAI AH SHETTY.—In view of the fact that there have been many accidents every day on account of hundreds of lorries plying on that road, is it not possible for the Government to reconsider the recommendation of the Municipality?

Sri H. V. KOUJALGI.—There are no accidents every day as the hon. Member stated. If the hon. Member makes out a fresh case with special points to be brought to the notice of the Municipality, I will send it on to the Municipality.
